

Rainbow School parents say:

*"Rainbow School's greatest and most important strength is the fostering of spiritual growth for the children. Most children do not receive enough of this in their daily lives. It is most important to their overall well-being and I am very grateful my daughter attends this school."*

*"Teachers who deeply care about children and see their strengths. A curriculum that attends to various types of learning and pays attention to developmental stages. Helps kids know that God loves them."*

*"The teachers are awesome! Everyone has a genuine concern for the growth and development of the children. RS teachers take time to talk and connect with parents. RS teachers are creative and innovative, always striving to provide a fun and dynamic experience for the kids. With the planning and care made to select and prepare art projects, the rotation of toys, games, and dramatic play areas, the music program, and chapel time, books and conversations at circle time, everything comes together for the benefit of the children. The children I see at RS are excited about learning and are happy to be with their teachers at RS."*

Our Mission:

To provide a Christian preschool where children develop skills for a life of faith and learning.

Rainbow School is a state-licensed preschool serving children 3, 4 and 5 year-olds.

Children must be 3 years old by September 1<sup>st</sup>

Our program offers a safe, positive, first-school experience, providing for the growth and development of the whole child and the support of the entire family.

Our teachers are well qualified and committed to providing a quality Christian learning experience. We use a variety of learning curriculums to structure our learning experiences and activities. Second Step Social-Emotional Skills for Early Learning program is part of our curriculum.

Our program includes Music with Miss Kristin and Mr. Guitar and Chapel time with staff from our supporting churches every other week.

*We strive to guide children...*
